

School Council Opportunities for Families, Friends & Community Members of Ponoka Elementary School – We Need You!

2015 -2016 School Year

There are many engagement opportunities for families, friends, school council and community members throughout the school year. In addition, or as an alternate, to regular meetings, there are other activities that result from our work that you may be able to help with.

As a committed and involved supporter of our children's education, your time and expertise are greatly valued. If you would like to participate in any of the following activities, please check ☒ those of interest and return this form to a School Council member or return to the Main Office.

☐ **Email Updates:** About School Council, Parent Association, or District events/meetings.

☐ **Hot Lunch Program:** Once or twice a month we try to offer a special hot lunch to the students. We need helpers to dish up/ hand out hot lunches on these special days. (Please note: If you are interested in becoming more involved in the selection of the lunches offered, menu planning with the restaurants, creating order forms, or processing the orders as they come in please indicate in the blank space below.)

☐ **Committees:** Small committees may be organized throughout the school year, based on the needs identified by our school community. Involvement on these committees provides participants with an opportunity for meaningful contributions while increasing their knowledge of our school. An example would be a committee to organize a family dance or fundraising event.

☐ **Playground Build Volunteer:** In the coming year we are hopeful that we will be ready to install our brand new playground that we have been working so hard to achieve for the kids! Please check here if you would like to be contacted when it is getting close to time to install the playground. We will need volunteers to work under the supervision of the playground equipment company for some parts of the installation, and we will be looking to borrow items such as wheel barrows and basic tools.
