

SCHOOL COUNCIL NEWS - September 2015

On behalf of the PES School Council - welcome back to another school year! Or for those of you that are new to PES this year – welcome! We have a fantastic school filled with wonderful families. As a School Council we support our children and the school by attending meetings throughout the year, as well as planning and participating in events that work to compliment or improve the school environment.

Did you know...? As a family member of a child attending Ponoka Elementary School you ARE a member of the School Council. You are welcome to attend any (or all) meetings of School Council – just to listen in, or to have an active voice.

We invite you to attend the first meeting – to be held Wednesday, September 16 at 6:30 pm in the PES Community Commons. At that meeting we will be choosing the meeting dates for the rest of the year. Please refer to the school website 'School Council' tab for upcoming meeting dates, agendas, as well as contact information. We look forward to seeing you and hearing your thoughts throughout the year.
